

OCTOBER 2018

Curriculum Vitae of Tanya Gouws

I am currently enrolled at Nelson Mandela University as a 4th year student studying towards my B Ed degree, majoring in Intermediate Phase Mathematics and Sciences. I am going to graduation in December this year - 2018.

It has long been a goal of mine to teach and live in Cape Town. I have always considered the mother city to be one of the most beautiful cities in the world and I believe it is a great place to educate the young learners of South Africa. It will be a great place for me to teach in both English and Afrikaans due to its rich cultural diversity.
